

MÉTA

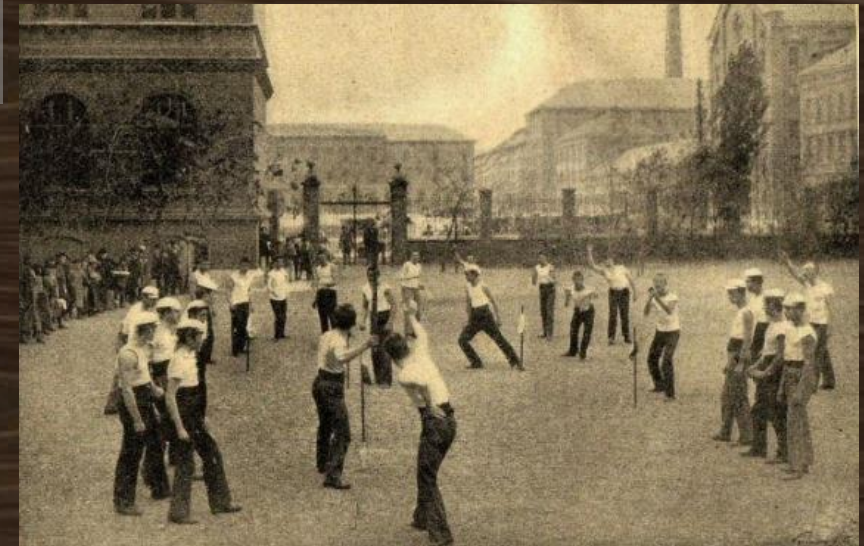

TRADITIONAL HUNGARIAN BALL GAME

HISTORY

- **Méta** is guarding the castle wars, but in a modern form.
 - According to sources they think from **II.Lajos**(16th century) knights played a kind of méta game, but it wasn't the same as it is now.
- Originally it was a popular game in the **city schools**, but then they also played it in villages.
- Hundreds of years it had so many versions, so **cricket** and **baseball** belong to méta kind.
